

# Holiday Beach House

## EDIBLE CRAFT

Create magical candy houses with icing, frostings, edible glitter, tons of candy, gummies, chocolates, creativity & pure imagination.

## DIY DIRECTIONS:

- STEP 1** Open your beach house box, remove cardboard and place on tray.
- STEP 2** Remove cookies from packaging and use edible markers to color and make designs on your cookies.
- STEP 3** Select a piping bag of frosting (colors are your choice!)
- STEP 4** Put thin layer of frosting on cardboard and use some frosting to build house on top of cardboard.
- STEP 5** Unpack your candy and place in box so you can see all of the candy and begin to design away!
- STEP 6** Add any finishing touches including a little bit of edible glitter so it glows!
